

Cape Cod Bus Travel Survey

Help shape the future of public transportation on Cape Cod.

Getting to and from work, school, healthcare appointments, or even the beach can be tricky without a car. The Cape Cod Commission is conducting a **transit needs assessment** to better understand the challenges people face when using public transportation on Cape Cod. In partnership with the Cape Cod Regional Transit Authority (CCRTA), staff are evaluating current conditions, collecting public input, and exploring ways to improve the transit system to ensure it is safe, accessible, and effective for everyone.
