I am writing to express my strong support for the proposed new housing facility in Provincetown, which will include much-needed affordable housing for our community. As we all know, Provincetown faces a severe housing crisis, making it increasingly difficult for year-round residents, workers, and families to find stable and affordable places to live.

This project represents a critical step toward ensuring that our town remains vibrant, diverse, and accessible to the people who make it so special. By providing affordable housing options, we can help sustain our workforce, support local businesses, and maintain the character of Provincetown as an inclusive and thriving community.

I urge you to approve and support this initiative, as it will have a lasting and positive impact on our town. Thank you for your time and commitment to addressing this pressing issue.

Sincerely,
William Garcia
