I am a member of the Old Ladies Against Underwater Garbage on Cape Cod. In the summer we swim in freshwater ponds and clean out the underwater garbage: beer cans, bottles, tires, house flashing, etc.

In winter we swim in the Y pools in Wareham and Hyannis to stay in shape for the summer cleanups. It would be so much more convenient and save gas if we could swim here at home in Falmouth!

Please fully support the Y. We are so excited about the possibility of having an excellent pool in town!
