Cape Cod Joint Transportation Committee Meeting

November 13, 2026 | 8:30 A.M.

THANK YOU FOR JOINING THIS VIRTUAL MEETING

Please review the notes below while you wait for the meeting to begin

The meeting will be held virtually, with all members of the Cape Cod Joint Transportation Committee participating remotely, pursuant to Chapter 20 of the Acts of 2021, as further amended by Chapter 2 of the Acts of 2025. If anyone is having a technical issue, use either the chat box on your screen or call (508) 362 – 3828 and staff will assist you.

Participants wishing to speak should click the "Raise Hand" icon on the lower toolbar to notify the chair.
Telephone participants should press *9 to indicate that they wish to speak.
All participants will be muted until they are recognized by the chair.

This meeting is being recorded for purpose of creating minutes. Meeting materials may be accessed at: www.capecodcommission.org/jtc.

CAPE COD COMMISSION

11-13-26 JTC Meeting

AGENDA PROGRESS

* 1. **Call to Order**
2. Roll call
3. Potential approval of prior meeting minutes
4. Public Comment
5. Review of TIP Construction Award Prices
6. Pilot TIP Design Project
7. MassDOT Construction Project Updates
8. Regional Capital Plan Viewer
9. Reports
10. New Business
11. Adjourn

If anyone is having a technical issue, use either the chat box on your screen or call (508) 362–3828 and staff will assist you.

1. CALL TO ORDER

After calling the meeting to order, the chair will read a series of procedural meeting announcements.

11-13-26 JTC Meeting

AGENDA PROGRESS

* 1. **Call to Order**
2. Roll call
3. Potential approval of prior meeting minutes
4. Public Comment
5. Review of TIP Construction Award Prices
6. Pilot TIP Design Project
7. MassDOT Construction Project Updates
8. Regional Capital Plan Viewer

.

6 . Pilot Transportation Improvement Program (TIP) Design Project

Staff will lead a discussion on the potential use of regional TIP funds for project design. Members may vote on whether to support a pilot program to allocate anticipated available 2027 regional TIP funds toward engineering design for an eligible TIP project.

MPO Design Pilot Programs

- Several MPOs in Massachusetts, including Boston, Merrimack Valley, and Central Massachusetts, have begun funding design and engineering efforts through their respective TIP budgets.

- A certain amount of funding (ranging from $500,000 - $5,000,000) is reserved annually for these efforts.

- MPO staff then create program guidelines for how those funds are allocated.

massDOT
Massachusetts Department of Transportation

Requirements

- Town to prepare a Request for Qualification (RFQ) or Request for Proposals (RFP) to select a MassDOT pre-qualified design firm.

- **Local match (20%) required by municipality.**

- **Corresponding construction project(s) should be initiated with MassDOT District staff**:
- **For a municipality to receive TIP funds for engineering and design services, they must enter into a reimbursable contract with MassDOT.**

massDOT
Massachusetts Department of Transportation

Pilot TIP Design Project – Approved 2027-2031 TIP

Pilot TIP Design Project – Potential 2027 Additional Funds (DRAFT)

For Discussion

- Potential for additional $6M in 2027 Regional TIP funds
  - No other TIP eligible construction projects are ready for advertisement in 2027
  - Allocate additional TIP Funds for Traffic Safety Equipment Program
  - Allocate additional TIP Funds for Bicycle Parking Equipment Program
  - Fund a Pilot TIP Design Project

Pilot TIP Design Project Options

- Pilot Option: Eastham Route 6 Corridor Improvements (Programmed in 2031 for Construction)
  - Town initiated (PRC approved Sept 2025)
  - Project Evaluation Score: 85/100
  - Town of Eastham not received TIP funding in over 20 years
  - Strong support from MPO and JTC last year

- Option 2 – Full TIP Evaluation of Eligible Design Projects

11-13-26 JTC Meeting

8 . Regional Capital Plan Viewer

Staff will provide an overview of a recently developed regional capital plan viewer that displays major infrastructure projects in the context of local opportunities and constraints and will discuss potential future uses of the application.

Why develop a regional capital planning viewer?

- Assist with project planning
- Increase coordination of projects and proponents
- Increase project resiliency
- Reduce redundancy or duplicative efforts
- Identify opportunities for cost-effective project elements with multiple co-benefits
- Strengthen and expand grant or other funding opportunities

Regional Capital Plan Viewer

By bringing together critical datasets and regional knowledge, the Regional Capital Projects Viewer empowers communities to plan smarter, invest strategically, and build a more resilient future. It is a tool for collaboration, grounded in local priorities, shared climate risks, and a commitment to sustainability.
